Persona: Budget-Conscious Lifestyle Planner / Shopper

SAYS	THINKS
• I want useful options within my budget. • I do not want to compare many sites manually. • I want suggestions based on my occasion and preferences.	• Which option fits my budget? • Can AI reduce the time I spend planning? • Will the suggestions match my needs?
DOES	FEELS
• Enters budget and preferences. • Selects a Home, Party or Jewelry planner. • Reviews AI recommendations and history.	• Wants confidence in the shortlist. • Feels time pressure while comparing options. • Values simple and personalized guidance.

Insight

The solution should minimize manual comparison, accept clear budget/context inputs, and present structured recommendations in a simple interface.
